Project Submission Report- Faris

Task Title

Learning Flutter connection with Backend

Solutions

1. Referred YouTube for connecting the front-end with Backend.

2. Installed Android Studio , Post Man

3. Learned Get, Post methods in Node js.

4. Learned the use of cors, pg in Node js and learned to connect PostgreSQL to Nodejs.

5. Am making myself confident with Nodejs and React connection, so that I will be able to connect flutter and Nodejs.

6. I felt a bit complex with flutter connection, maybe a proper guidance or proper training would be appreciated from your side.
